Summary: The Water Regulatory Specialist will focus on the protection of water resources within the external boundaries of the Bad River Reservation by managing the regulatory responsibilities of the Water Resources Program associated with the Band's Treatment as a Sovereign Nation (TAS) authority for Water Quality Standards.

Essential Duties and Responsibilities include the following:

- Reviewing and commenting on projects proposed within the external boundaries of the Bad River Reservation and projects proposed upstream of or hydrologically connected to the Reservation to protect water resources, including rivers, streams, wetlands, and Lake Superior.
- Coordinating the review, public notice posting, the response to public comments, and Tribal Council presentation for the Antidegradation Decision process under the Band's Water Quality Standards.
- Coordinating the review, public notice posting, the response to public comments, and the Tribal Council presentation for the Clean Water Act Section 401 Certification of federal permits in accordance with the Band's Water Quality Certification and Review Code (Chapter 324).
- Conducting site visits to ensure permit compliance of Tribal and Federal permits, including inspecting erosion/sedimentation controls, and communicating with entities responsible for compliance
- Maintaining database to track water resource-related applications and permitting and maintaining project review files.
- Coordinating meetings with Conservation Wardens, NRD staff, and Legal Department to address permit or code violations as needed.
- Reviewing Discharge Monitoring Reports associated with NPDES permits.
- Scheduling regular meetings with staff from Planning, Roads, Sewer/Septic, and Housing to stay informed on Tribal development projects and ensure that all parties are informed of regulatory requirements and deadlines.
- Conducting outreach and engagement activities related to Band's project review process and Water Quality Standards.
- Assisting Wetland Specialist with wetland delineations.
- Completing training aligned with essential duties and responsibilities.
- Assisting with budget management, including completing purchases in accordance with the Band's procurement policy.
- Other duties as assigned.

Qualification Requirements: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are representative of the knowledge, skills, and/or ability required. Knowledge of

the uniqueness of the Bad River Community. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.
